Neither the Society, its servants or agents, shall be responsible to any purchaser in respect of the age, pedigree or breeding of any sheep purchased, and the purchaser must satisfy himself that any sheep purchased corresponds with the description given to it by the vendor.

In addition to the National conditions governing the sale of sheep at auction marts which guarantee that all stock are clinically sound, every sheep in the sale was found to be sound in the mouth by the Society registrars at the time of registration.

Whilst every care will be taken and the society will do it's utmost to check the animals for defects the final onus remains on the purchaser.
