

PLANT, FARM MACHINERY & SMALL TOOLS SATURDAY 28TH MAY 2016

The Sun was shining which made for a hot day with a near total clearance. We had just under 1000 lots of small tools and over of 550 lots of larger equipment. With such large numbers now coming forward we will not be accepting items on the morning of the sale for future sales. However if you want to drop items off prior to the Friday this can be arranged. Contact Jeremy for more info on this facility.

In the tools section the top lot saw an old car mascot chinchilla selling for £270 and a Sisis Auto petrol made £200. Larger machinery was in demand on the day especially diggers and farm machinery, with one lot going on to make £7,100 - the Hitachi EX30 Digger. Another highlight on the day was a New Holland High lift skid steer which made £6,000. A Lely Lotus 600 Lotus 600 Fold out Tedder Round Baler from a local farmer sold for £2,100. More items required for the next sale on Saturday 25th June.
